EDUCATIONAL RESOURCES AND CLINICAL RESOURCES

Complimentary access to Palliative Care BASICS courses

These courses provide foundational and advanced training in palliative care principles, supporting professional development for nurses and APRNs.

Accredited Education

Hospice and Palliative Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Members can earn nursing continuing professional development (NCPD) and pharmacotherapeutic contact hours for select courses.

Orientation Guide for RNs and APRNs

This guide assists new nurses and APRNs in transitioning into hospice and palliative care practice.

Select hospice and palliative care eBooks

Members have access to a curated library of eBooks covering essential clinical topics.

Diversity in Health Care video series

Educational videos highlight strategies to provide culturally competent and equitable care.

Webinar series

Members gain access to monthly webinars on topics such as pain & symptom management, prognostication, communication, leadership and pediatric care topics.

Billing for APRNs webinar series

Members can enhance their understanding of billing practices specific to APRN roles in hospice and palliative care.

HPNA offers robust clinical resources, including over 80 hours of free on-demand education and access to essential practice guides.

Access to Nursing Resource Guides (English and Spanish)

Resource guides support evidence-based care and are available in both English and Spanish.

Subscription to the Journal of Hospice and Palliative Nursing

Members receive the latest research, clinical updates, and professional insights from this leading journal.

Subscription to the Journal of Palliative Medicine (APRN Members Only)

NETWORKING OPPORTUNITIES

HPNA fosters professional connections through mentorship, discussion forums, and special interest groups.

Mentor Match Program

Members can connect with experienced professionals for guidance, career growth, and support.

Special Interest Groups (SIGs)

SIGs provide a space to collaborate with peers who share clinical and professional interests.

Member-only discussion forums

Online forums allow members to exchange knowledge, ask questions, and share experiences.

HPNA State Community

Local networking, education, and advocacy within state-level communities.

Expert Directory

Members can access a directory of HPNA experts for clinical consultation and professional collaboration.

DISCOUNTS & FINANCIAL BENEFITS

Membership includes exclusive savings on conferences, educational products, publications, and certification-related expenses.

Discounted conference registration

Members receive reduced rates for HPNA Conferences.

Discounts on educational products

Educational materials and online courses are available at discounted prices.

Discounts on certification exams and review courses

Members save on HPCC certification exams and preparatory courses.

Discounted publications

Select books are offered at member-only pricing.

EMPLOYER PARTNER PROGRAM

The HPNA Employer Partner Program was created to collaborate with employers in strengthening their nursing care teams through education and certification opportunities. Employers can take part either by offering discounts to individual staff members or by enrolling as an organization.

Traditional Partnership

Traditional Partnership allows your company to provide HPNA memberships, educational resources, and/or HPCC certification exams to your nursing care teams through pre-paid purchases or discounts at the time of use. Discounts range from 5%–25%.

Corporate Partnership

Corporate Membership offers scalable savings and expanded education benefits for organizations through pre-paid purchases and tiered pricing. Discounts range from 5%–23%, based on the total number of memberships purchased.

Hybrid Partnership

The Hybrid Program allows organizations to benefit from tiered spending discounts while also receiving bundled resources tied to staff size. Each level grows with your organization's commitment and usage, ensuring you always receive the maximum value. Discounts range from 5%–23%, based on the total number of memberships purchased.

CERTIFICATION BENEFITS

Discounted HPCC certification exam pricing

Members receive reduced fees for the Hospice and Palliative Credentialing Center certification exams.

Discounted recertification pricing

Recertification costs are discounted for active HPNA members.

ADDITIONAL BENEFITS

HPNA provides opportunities for professional recognition, career advancement, and involvement in the organization.

Scholarship eligibility

Members can apply for scholarships to support continuing education and professional development.

Award eligibility

Members may be recognized through HPNA awards for excellence in clinical practice, research, or service.

Volunteer opportunities

Members can contribute to committees and HPNA initiatives.

Opportunity to achieve Fellow status

Distinguished members can earn HPNA Fellow designation to recognize advanced expertise and leadership.

Career Center

The HPNA Career Center offers job listings, career resources, and professional guidance.

NEWS & INFORMATION

HPNA keeps members informed through newsletters, clinical updates, and specialty-focused communications.

Monthly HPNA Happenings newsletter

This monthly newsletter shares organizational news, upcoming events, and member spotlights.

Weekly HPNA SmartBrief newsletter

Members receive weekly updates on key clinical and professional news.

ADVOCACY & PUBLIC POLICY

National & System-Level Advocacy

HPNA represents the profession through coalitions, partnerships, and lobbying to advance hospice and palliative care priorities.

Washington, D.C.–based lobbyists representing HPNA policy priorities before Congress and federal agencies

Professional lobbyists advocate for HPNA’s policy positions directly with lawmakers and regulatory agencies.

Participation in collaborative advocacy efforts addressing key health policy issues impacting serious illness care

Members engage in coalition efforts to shape policy affecting patients, families, and providers.

Member-Focused Advocacy Resources

Public Policy Special Interest Group and Advocacy Network

Members stay informed on relevant policy developments and regulations. Access to legislative and regulatory summaries and updates via the Public Policy Special Interest Group and Advocacy Network.

Education, toolkits, and training that empower members to advocate

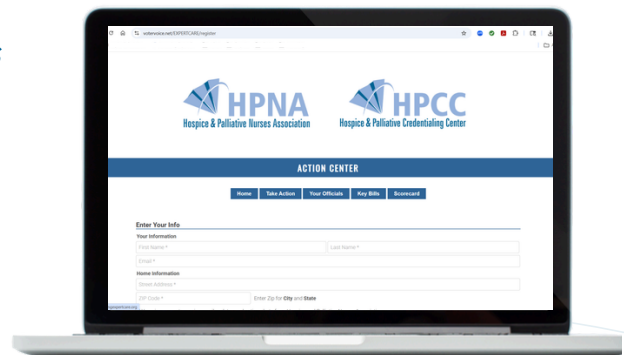

Practical resources help members influence change within their organizations and communities.

Contact legislators, respond to action alerts and engage via the Advocacy Action Center

Members can act on important legislative issues directly through HPNA platforms.

State Ambassador Program

Ambassadors connect local members to advocacy efforts and serve as a bridge to state-level policy initiatives.
